6	Kepada semua guru tercinta di Yayasan Begawan,	To all the beloved teachers at Begawan Foundation,

	Sejujurnya, saya sangat sedih mendengar kabar bahwa program pembelajaran di Yayasan Begawan telah resmi berakhir, meskipun saya sudah mendengar desas-desus tentang hal ini beberapa minggu yang lalu. Namun, semua pelajaran dan kenangan yang telah dibagikan oleh para guru akan selalu menjadi bagian yang berarti dalam tumbuh kembang anak saya, Nala. Begitu banyak pelajaran berharga, begitu banyak senyuman, dan begitu banyak kebersamaan yang telah dialami oleh para siswa selama perjalanan ini. Doa tulus saya panjatkan untuk kalian semua. Semoga segala kebaikan yang telah kalian berikan membuka jalan menuju kesempatan-kesempatan baru yang lebih baik di masa depan. Ini bukanlah perpisahan — saya sungguh percaya bahwa suatu hari nanti, kita akan bertemu kembali.	Honestly, I am deeply saddened to hear the news that the learning program at Begawan Foundation has officially come to an end, even though I had already heard rumors about it weeks ago. However, all the lessons and memories shared by the teachers will always be a meaningful part of my child Nala's growth. There have been so many valuable lessons, so many smiles, and so much togetherness that the students have experienced throughout this journey. My heartfelt prayers go out to all of you. May all the kindness you've shown open up new and even better opportunities for you in the future. This is not a goodbye — I truly believe that one day, we will meet again.
